

**RIVERSIDE COUNTY
COMMUNITY CORRECTIONS PARTNERSHIP EXECUTIVE COMMITTEE**

Downtown Law Building
3960 Orange Street, 5th Floor Conference Room, Riverside, CA
October 31, 2017, 1:30 P.M.

AGENDA

1. Call to Order – Roll Call
2. Approval of Minutes – Action Item
- September 12, 2017
3. FY 2017/18 Budget Modification Approval – Action Item
 - a) Funding Scenarios
4. Proposed 2018 CCPEC Regular Meeting Dates – Action Item
5. Reentry Conference – Action Item
6. Workgroup Reports – Discussion Items
 - a) Measurable Goals
 - b) Fiscal
 - c) Health and Human Services
 - d) Day Reporting Center
7. Staff Reports – Discussion Items
 - a) Probation
 - b) Sheriff
 - c) Riverside University Health System
 - d) Police
 - e) District Attorney
 - f) Public Defender
 - g) Court
8. Public Comments
9. Cancellation of November 7, 2017 Meeting – Action Item
10. Next Meeting
- January 9, 2018; 1:30 P.M.

In accordance with State Law (The Brown Act):

- *The meetings of the CCP Executive Committee are open to the public. The public may address the Committee within the subject matter jurisdiction of this committee.*
- *Disabled persons may request disability-related accommodations in order to address the CCP Executive Committee. Reasonable accommodations can be made to assist disabled persons if requested 24-hours prior to the meeting by contacting Riverside County Probation Department at (951) 955-2830.*
- *Agenda will be posted 72 hours prior to meeting.*
- *The public may review open session materials at <http://www.rcprob.us/> under Related Links tab or at Probation Administration, 3960 Orange St., 6th Floor, Riverside, CA.*
- *Cancellations will be posted 72-hours prior to meeting.*
- *Agenda items may be called out of order.*

Riverside County
Community Corrections Partnership Executive Committee
3960 Orange St., 5th Floor Conference Room, Riverside, CA
September 12, 2017, 1:30 PM

1. Call to Order – Roll Call

The meeting was called to order by Chairman Mark Hake at 1:32 PM.

Roll call of the members:

Mark Hake, Chief Probation Officer, Chairman
Samuel Hamrick Jr., Superior Court
Steve Harmon, Public Defender, Vice Chairman
Michael Hestrin, District Attorney
Zareh Sarrafian, Assistant County Executive Officer
Stan Sniff, Sheriff
Sean Thuilliez, Beaumont Police, Chief

2. Approval of Minutes

Mark Hake entertained a motion to approve the Community Corrections Partnership Executive Committee (CCPEC) meeting minutes dated June 6, 2017 (handout). The motion was moved by Zareh Sarrafian and seconded by Steve Harmon. The motion was approved as follows:

Aye: Hake, Harmon, Hestrin, Sarrafian, Thuilliez
Nay: None
Absent: None
Abstain: Sniff

3. AB 109 FY 2016/17 Fourth Quarter Budget Report

Probation Administrative Services Manager Cheryl Williams provided an overview of the FY 2016/17 Fourth Quarter Budget Report dated July 1, 2016 to June 30, 2017 (handout). A summary of actual expenditures for the entire FY were reviewed. The Public Defender and Probation has fully expended their CCPEC allocation; RUHS reported that they have exceeded their allocation by \$3.4M. The Sheriff and Police agencies have carry-over funds of \$2.46M, which will be carried over into FY 2017/18. To date the entire allocation has been received for FY 2016/17. Cheryl Williams asked that the CCPEC Committee members receive and file the final attachments.

Mark Hake entertained a motion to approve the FY 2016/17 Fourth Quarter Budget Report. The motion was moved by Zareh Sarrafian and seconded by Steve Harmon. The motion was approved as follows:

Aye: Hake, Harmon, Hestrin, Sarrafian, Sniff, Thuilliez
Nay: None
Absent: None
Abstain: None

4. FY 2017/18 Budget Approval – Action Item

Mark Hake reviewed the FY 2017/18 Budget and proposed scenarios (handout).

The anticipated State-wide allocation for Riverside County AB 109 funding was approximately \$68.6M. The estimated growth amount was just under \$900,000. When the \$2.46M carry-over amount is added to those two dollar amounts, it equal approximately \$72M available funding for FY 2017/18. The budget requests presented by each participating agency amounted to just over \$89M, which left a shortfall of approximately \$17M.

Other State funds coming to the County and being expended on AB 109 are restricted to go directly to one agency or another. The District Attorney and Public Defender has an amount of approximately \$1.8M. The CCP Planning Grant, if received, will be \$200,000, a local innovation sub-account amounts to \$134,485 and FY 2016/17 carry-over funds amounts to \$6.3M all totaling an additional \$8.4M being spent on AB 109 in the County.

Following the conversation at the last CCPEC meeting on June 6, 2017, and from the direction of the committee, the Probation Department developed four proposed funding scenarios:

Scenario 1 – Use 100% of the PRCS Second-Strikers fund balance of \$4.55M to reduce the CCPEC deficit; fund the Public Defender and Police Agencies at 100% of their budget request; and fund each remaining agency at 85.60% of their budget request.

Authorize the FY 2016/17 carryover of \$2.46M, FY 2016/17 growth of \$0.88M, and PRCS Second-Strikers fund balance of \$4.55M to offset the anticipated shortfall. This would result in unfunded budgets of \$12.45M.

Scenario 2 – Use 50% of the PRCS Second-Strikers Fund balance or \$2.27M to reduce the CCPEC deficit; fund the Public Defender and Police Agencies at 100% of their budget request; and fund each remaining agency at 83% of their budget request.

Authorize the FY 2016/17 carryover of \$2.46M, FY 2016/17 growth of \$0.88M, and utilize \$2.27M of the \$4.55M PRCS Second-Strikers fund balance to offset the anticipated shortfall. This would result in unfunded budgets of \$14.73M and a \$2.27M PRCS Second-Strikers fund balance.

Scenario 3 – Use 100% of the PRCS Second-Strikers fund balance of \$4.55M to reduce the CCPEC deficit; and fund each agency at 86% of their budget request.

Authorize the FY 2016/17 carryover of \$2.46M, FY 2016/17 growth of \$0.88M, and PRCS Second-Strikers fund balance of \$4.55M to offset the anticipated shortfall. This would result in unfunded budgets of \$12.45M.

Scenario 4 – Use 50% of the PRCS Second-Strikers fund balance or \$2.27M to reduce the CCPEC deficit; and fund each agency at 83.5% of their budget request.

Authorize the FY 2016/17 carryover of \$2.46M, FY 2016/17 growth of \$0.88M, and utilize \$2.27M of the \$4.55M PRCS Second-Strikers fund balance to offset the anticipated shortfall. This would result in unfunded budgets of \$14.73M and a \$2.27M PRCS Second-Strikers fund balance.

Mark Hake stated he would normally ask the committee for their input; however, late last week the Probation Department received unexpected news from the State of California. The receipts on the AB 109 allocation funding and the growth allocation funding have come in higher than anticipated. The State recalculated their projections on the growth allocation which creates a corresponding increase in the base allocation. The State has estimated an increase of \$5.1M will be coming to Riverside County.

The committee members agreed to proceed with Scenario 1 without incorporating the estimated increased funding. There may be a Special CCPEC Meeting scheduled prior to the regularly scheduled meeting on November 7, 2017, to discuss the disbursement of the additional funds from the State.

Mark Hake entertained a motion to approve Scenario 1 as a funding model for FY 2017/18 Budget. The motion was moved by Stan Stiff and seconded by Zareh Sarrafian. The motion was approved as follows:

Aye: Hake, Harmon, Hestrin, Sarrafian, Sniff, Thuilliez

Nay: None

Absent: None

Abstain: None

5. Public Safety Annual Realignment Plan – Action Item

Division Director Tari Dolstra stated the format of the Public Safety Annual Realignment Plan was updated this year (handout). The report will be revised to include the FY 2017/18 Budget that was approved by the committee members at today's meeting; then the report will be distributed for signatures and presented to the Board of Supervisors on a date in October.

Mark Hake entertained a motion to approve the Public Safety Annual Realignment Plan dated September 12, 2017, with the amendments of the budget information just approved by the CCPEC to be included in the report. The motion was moved by Mark Hake and seconded by Sean Thuilliez. The motion was approved as follows:

Aye: Hake, Harmon, Hestrin, Sarrafian, Sniff, Thuilliez

Nay: None

Absent: None

Abstain: None

6. Scope of Work – 5-Year Evaluation of Realignment Implementation – Discussion Item

Division Director Tari Dolstra reported that all of the partners reviewed the vendor bids and selected EVALCORP to provide auditing services for the evaluation of the county's realignment efforts. The Service Agreement has been sent to County Counsel for review/approval and is expected to be presented to the Board of Supervisors on October 3, 2017.

7. Work Group – Discussion Items

- a) Measurable Goals – Ron Miller stated the Re-entry Conference is tentatively scheduled on January 18, 2018. Consultant/coordinator Deanna Allen has had Town Hall meetings in the Riverside and Southwest areas with local CBOs and faith based organizations. The last Town Hall meeting is scheduled for September 26 in the Desert area. With the

energy around this event the anticipated number of attendees for the County specific Re-entry Conference has nearly doubled to approximately 400-500 people. There will be a "Save the Date" reminder and more information sent once the details are finalized.

Mark Hake stated there has been positive feedback from the CBOs and community. The CCPEC approved an expenditure of \$50,000 on June 6, 2017 to support this effort, pay for the consultant and the cost of the conference. The Probation Department is making every effort to keep the cost under control; however, it may be necessary for Probation to request additional financial support from the CCPEC to obtain a venue large enough to accommodate the projected level of interest.

- b) Fiscal – Nothing new to report.
- c) Health and Human Services – Deborah Johnson distributed and reviewed minutes from the June 15, 2017, Health and Human Services (HHS) Work Group meeting (handout).
 - To enhance the notification process to the Probation Department when a client has missed an appointment, HHS has added a step to their procedure. HHS will now email the new *Missed Appointment Notice* form (handout) to the probation officer as well as notify the supervising probation officer via telephone call.
 - HHS met with the Probation Transition and Reentry Unit (TRU) supervisor about coordinating a better way of communication in our jails regarding discharge planning.
 - HHS is continuing to brainstorm and improve efficiencies in looking for duplication of effort.
- d) Day Reporting Center – Nothing new to report.

8. Staff Reports – Discussion Items

- a) Probation – Assistant Division Director Jason Beam reviewed and stated there are no significant changes to the following handouts dated September 5, 2017:
 - AB 109 Status Report
 - Post-Release Community Supervision Offenders Population by City
 - Mandatory Supervision Offenders Population by City
 - Post-release Community Supervision Fact Sheet
- b) Sheriff – Stan Sniff shared that the Sheriff Department has been faced with serious cuts in the form of underfunding over the last 24 months and discussed the consequences this has had on the department.

Chief Deputy Scot Collins stated:

- There will be 6,000+ federal releases anticipated in 2017.
 - There are 35 contract beds in Imperial County Sheriff Department.
 - The Fire Camp has 45-60 inmates on contract with CDCR and Cal-Fire.
 - John Benoit Detention Center is due to be open the summer 2018.
- c) Riverside University Health System – Assistant Director Joe Zamora distributed and reviewed data of the Correctional Health Services AB 109 Utilization Dash Board dated September 11, 2017 (handout).
 - d) Police – Nothing to report.

- e) District Attorney – Nothing to report.
- f) Public Defender – Nothing to report.
- g) Court – Samuel Hamrick distributed and reviewed the Court Realignment/Prop 47 Data Report dated August 25.
 - The new Southwest Juvenile Courthouse opened in August 2017.
 - There will be two additional courthouses built when funding is available: Indio Juvenile Family Law and a Family Law and Civil Courthouse in Hemet.
 - There will be a significant turn-over in Judgeships in the Court. There will be nine new Judgeships in Riverside County in the first part of 2018. In addition there will be three Commissioner vacancies.

9. Public Comments

There were no public comments.

10. Next Meeting – November 7, 2017, 1:30 PM.

Mark Hake reminded the committee that as soon as the numbers are finalized by the State there will be a Special Meeting calendared.

The meeting was adjourned at 2:37 PM.

An attendance sheet was signed by all present and will be kept on file.

Meeting minutes submitted by Executive Secretary Cindy Napolitano.

**Submittal to the Community Corrections Partnership
Executive Committee
October 31, 2017**

Agenda Item 3

From: CCPEC Staff

Subject: FY 2017/18 Budget Modification

Background: On Tuesday, September 12, 2017, the CCPEC voted on a proposed budget with the assumption that Riverside County would be receiving approximately \$68.67M in AB 109 programmatic allocation and \$0.88M in growth allocation. However, based on revised revenue estimates provided by California State Association of Counties, Riverside County is expected to receive approximately \$73.00M in AB 109 Operating Funds and \$6.71M in growth allocation, a \$9.48M increase.

The proposed budget approved by the CCPEC on September 12, 2017 funded the Public Defender and Police Agencies at 100% of their budget request and funded each remaining agency at 85.6% of their budget request. The Sheriff, RUHS and Probation has unfunded budgets of \$12.45M.

At this time the FY2016/17 growth allocation payment is still pending release from the State Controller's Office. In anticipation of the payment, the Probation Department is recommending that the CCPEC authorize the distribution of the additional funds to the three agencies, Sheriff, RUHS and Probation according to their budget ratios. Upon receipt of the payment, Probation will notify each of the fiscal representatives of the allocation and their share of the growth monies. An update will be provided at the next regularly scheduled CCPEC meeting on the actual amounts received and the official revised budget numbers.

Recommended Motion: That the Community Corrections Partnership Executive Committee:

1. Approve the distribution of additional state funding to the Sheriff, RUHS and Probation departments according to their budget ratios.

Respectfully submitted.

**Submittal to the Community Corrections Partnership
Executive Committee
October 31, 2017**

Agenda Item 5

From: Probation Department

Subject: FY 2017/18 Reentry Conference Revised Proposal

Background: On June 6, 2017 Agenda Item 4, the Community Corrections Partnership Executive Committee (CCPEC) approved an initial allocation of \$50,000 from the CCPEC Planning Grant Funds for a consultant agreement with Ms. Deanna Allen and a Reentry Conference for Riverside County.

Since then, the County has entered into an agreement with Ms. Deanna Allen for \$23,000, to provide consulting services to Riverside County to assist in identifying opportunities to improve upon its reentry efforts, its success stories in recidivism reduction and ultimately improving the quality of the lives of men, women and teens returning to Riverside communities.

The initial phase of the project has been to perform a non-exhaustive audit of the county's community dynamics and collaborative efforts in the criminal justice system. This has helped to determine cross-sector stakeholders who should be taken into consideration in developing a county wide Reentry Conference. Some key objectives and desired outcomes of this Reentry Conference will be to lead an initiative in Community Awareness, identify gaps in Public Safety Awareness, review current collaborations and identify new opportunities. The final phase of the project will occur post conference which will be to make recommendations and remain available, if parties agree, to assist Riverside County in developing new key relationships and building capacity within its community based organizations and partnerships.

Meetings with community and faith-based organizations have been conducted on August 24, 2017 in Riverside and Perris, and September 26, 2017 in Indio, in partnership with Riverside County sharing the reentry conference concept and soliciting information on community interest. Through these meetings, Riverside County collected contact information from over 200 organizations. In addition, over 50 government agencies will also be invited to attend the conference.

**Submittal to the Community Corrections Partnership
Executive Committee
October 31, 2017**

Agenda Item 5

The success and stakeholder participation with these initial meetings have yielded greater interest than anticipated in attending the Riverside Reentry Conference scheduled for January 18, 2018. As a result, the steering committee has had to broaden its search for a central location suitable and capable of hosting a full-day event, with multiple breakout sessions, and with the expectation of having nearly 500 attendees. The steering committee contacted 12 possible locations, and only one location was able to accommodate the anticipated number of attendees on the scheduled date. The steering committee is proposing the use of the Riverside Convention Center for the Reentry Conference and obtained a quote for use of the facility, including breakout rooms, food and beverage, and audio visual, in the amount of \$42,000.

Given that the initial allocation of \$50,000 was approved by the CCPEC for the Reentry Conference, there is a need to return to the CCPEC with a request for additional funds in order to move forward with the Conference.

Original Project Proposed Budget: \$50,000

Revised Project Budget:

Consultant Agreement w/ D Allen	\$23,000
Riverside Convention Center	42,000
Other, i.e. Program Printing, etc.	<u>10,000</u>

Revised Project Budget: \$75,000

Recommended Motion: That the Community Corrections Partnership Executive Committee:

1. Approve an additional allocation of \$25,000, of the CCPEC Planning Grant Funds, for a Reentry Conference for Riverside County.

Riverside County Community Corrections Partnership Executive CommitteeRealignment of Public Safety Audit

Vendor: EvalCorp, Irvine, California

Financial commitment: \$229,950.00

Time frame: two years, with an additional six months possible although compensation will not be increased

Work Plan (Exhibit A): *"The results of this formal evaluation shall provide the information necessary to determine if modifications, or improvements are needed to enhance realignment efforts."*

Six Evaluation Phases:

1. Initial engagement
 - a. Kick-off meeting: November 17, 2017; 1:30-3:30 p.m., County Counsel Conference Room
 - b. Contractor meets with departmental subject experts/liaisons; contact information shared
 - c. Opportunity to provide the contractor with updated departmental information, functions and services to be evaluated, including personnel assigned and estimated support from realignment funding.
 - d. Mutually develop key information needed for the audit.
 - e. Share meeting schedule.
2. Planning
 - a. Outline information to be collected from each department and agency along with a time line for collecting essential data.
 - b. Update contact information for contractor team/s, participating departments, agencies
3. Fieldwork and Data Collection
 - a. Contractor will compile all data provided and begin the evaluation process
 - b. Any changes to the proposed schedule (Phase 1) requires mutual approval of contractor and participating departments, agencies.
4. Analysis
 - a. Contractor submits a draft to the Measurable Goals Working Group within 60 days of data collection.
 - b. Contractor documents how the audit and analysis were conducted including assumptions, methodology, data utilized.
5. Documentation and Presentation
 - a. Contractor and Working Group discuss all information available. The Working Group will authorize the contractor to then complete the final written report.
 - b. Presentation of information following approval of same by the Working Group
6. Implementation of Recommendations and Follow-up Evaluation
 - a. Specific implementation recommendations for each department/agency
 - b. Contractor training will focus on evaluation logic as it impacts operational changes
 - c. Evaluation of changes implemented
 - d. Contractor will a written evaluation of implemented changes or adjustments.

HHS WORK GROUP MEETING MINUTES

WELCOME/INTRODUCTIONS

The Health and Human Services (HHS) Work Group was called to order at 1:35 pm. All in attendance were welcomed and made self-introductions.

REVIEW OF MINUTES

The June 15, 2016 meeting minutes were reviewed by all. All were in favor of approval and the minutes passed.

With no corrections identified, a motion to approve the minutes was put forth by Deborah Johnson, Deputy Director of Forensics, seconded by Claudia Smith, all were in favor, and the minutes were approved.

AGENCY UPDATES

Jason Beam discussed iCEV, an online vocational program in conjunction with RCOE. He clarified that the letter "i" should be in lower case, while all other letters are capitalized in the name. Currently, logistics, hospitality, and more is being offered at the Day Reporting Center (DRC). Candidates take an assessment and gain knowledge in a vocation. As of Monday, September 18, 2017, a total of 9 individuals were enrolled in the iCEV vocational program. The hope is to expand the program.

Andrea Ruffin of the Department of Social Services continues to do the administration for the Day Reporting Centers. Although the applications continue to be high at the Riverside location, there has been a decline in the number of individuals who are coming to the sites to enroll for CalFresh and Medi-Cal. The Indio and Temecula locations typically receive only 3 or 4 applications each

**TO ASSURE YOUR ATTENDANCE IS RECORDED IN THE MINUTES,
PLEASE SIGN IN!**

month. After speaking with the Temecula DRC staff, it was relayed that sometimes they do not know who is coming to their office and do not know who to refer. As a result, the department will be paying attention to numbers and will continue to hold discussions about this at future meetings. Meetings are held every Wednesday and it was mentioned that it would be beneficial for both Behavioral Health and Probation to be included in future discussions as either may be able to offer additional services to these clients. Although many can qualify, the department can not force an individual to accept benefits.

Dr. Andrew Williams shared about the upcoming changes at the DRC locations. After reviewing the current infrastructure for duplication of services and/or inefficiencies in providing Mental Health and Substance Abuse services, the department determined that there were a number of changes which could be made, while still keeping the same level of client care. All Behavioral Health Specialist (BHS) III positions will be converted to BHSII positions at the DRC locations. They will remain at the DRC locations to conduct educational groups and support the Clinical Therapist (CT) staff members. As a result, the department will need to revise and update the current Memorandum of Understanding (MOU). Dr. Williams expressed that he is working in collaboration with Rhyen Miller, the Substance Abuse Prevention and Treatment (SAPT) Administrator, and Substance Abuse services will still be provided at the DRC locations. Clients will transition into the SAPT clinics at each of the various regions. Community Services Assistant (CSA) positions will be available at the DRC locations to provide transportation services. IEHP and Molina are two additional resources for transportation needs. The goal is to streamline the process and to ensure that there are no barriers to services for clients. The question was posed as to what the difference is between the BHSII and BHSIII positions. It was clarified that BHSIII positions are certified Substance Abuse Counselors and can perform the American Society of Addicted Medicine (ASAM) assessments. However, it was determined that BHSIII staff were not completing much of this work. The department will continue to review referrals and need. Effective October 12, 2017, BHSIIs in Detention, a total of 3 staff members, will be transferring. There will be a collaborative meeting held on October 11, 2017 to discuss this.

There will also be a number of changes at the Probations sites in partnership with Judy Nightingale and the Whole Person Care nurses. Whole Person Care is working with the Probation sites to be integrated in both physical and mental health. A new change is that all 8 sites will have staff. The BHSIII positions will be pulled from the Probation sites and the department will be collaborating with Ms. Nightingale and her staff to provide the screenings. The goal is to avoid duplicating efforts. The hope is to expedite the process so that clients will get the services that are needed more quickly. A revised version of the Behavioral Health screening tool will be provided to the Whole Person Care nurses. This will give them better questions that will provide them with prompts as to where the referrals should go – mental health, substance abuse, co-occurring. The nurses will complete the screenings, while Behavioral Health staff will concentrate on the treatment. This will be discussed with Ms. Nightingale at an upcoming meeting. The nurses will be required to complete a background check which will take approximately 4 - 9 months in length. A possible 9 months could potentially be the entire fiscal year which could affect much. More will be discussed once it is determined if the nurses absolutely have to complete this lengthy background check process. To be prepared, the department will establish a backup plan should the placement of these positions be numerous months.

Due to a low request for services and a low caseload, it was determined that the Cathedral City and Banning New Life Clinics will be absorbed into the Behavioral Health Clinics. The Cathedral City location will no longer be just a New Life Clinic. However, it will still provide services to AB 109 clients. Staff members from the Banning New Life Clinic will be moved to the Banning Behavioral Health Clinic. This clinic will now see any individual who walks in, including AB 109 individuals. At Banning, the Substance Abuse services will be provided by a County contracted agency. MFI Recovery is directly across the street from the clinic. Mr. Miller will provide further

instructions about how this will be done at a later time. Substance Abuse services will still be provided at the Cathedral City Clinic.

With all of the new changes, the hope is that the department will be more efficient and also provide the same level of care. Behavioral Health will provide the mental health and substance use training to the Whole Person Care nurses, as the nurses will be performing the screenings.

BUDGET UPDATES

There were no further budget updates at this time.

ANNOUNCEMENTS

It was announced that the December 21, 2017 meeting was cancelled due to the holidays.

NEXT MEETING

The next HHS Work Group meeting will be held on March 15, 2018.

A motion to adjourn the meeting was made, seconded, and the motion passed. The HHS Work Group meeting adjourned at 2:30 p.m.

RIVERSIDE COUNTY SHERIFF'S DEPARTMENT

STAN SNIFF, SHERIFF / CORONER

To: CCP Executive Committee **Date:** October 2, 2017
From: Sheriff Stan Sniff
Point of Contact: Chief Deputy Scot Collins (951) 955-2466, scollins@riversidesheriff.org
RE: AB 109 Impact Update

Since State Prison Realignment under AB 109 went into effect, the jails in Riverside County have experienced a substantial increase in inmate population. In the first week of January 2012, our facilities hit maximum capacity, requiring us to initiate releases pursuant to a federal court order to relieve overcrowding. Since that date, our jail population has consistently remained at maximum capacity. Overcrowding forced the early release of 3,286 inmates in 2015. This number climbed to 5,782 in 2016. The 2017 year-to-date federal release number stands at 4,617. In an effort to relieve overcrowding and curb early releases, we are utilizing alternative sentencing programs such as Fire Camp, SECP (electronic monitoring), and out-of-county contract inmate beds.

Inmate bookings since AB 109 went into effect which are directly related to realignment are:

Parole Violations (3056 PC)¹

- 18,077 inmates booked (12,049 booked for violation only; 6,028 had additional charges)
- 110 inmates in custody

Flash Incarcerations (3454 PC)²

- 3,122 inmates booked
- 10 inmates in custody

Post Release Community Supervision Violations (3455 PC)³

- 10,613 inmates booked (5,633 booked for a violation only; 4,980 had additional charges).
- 78 inmates in custody

Inmates Sentenced under 1170(h) PC for Felony Sentence to be served in County Jail⁴

- 13,415 inmates sentenced
- 527 inmates in custody (421 RSO facilities; 106 alternative housing)
- 249 of these inmates are sentenced to 3 years or more (165 RSO facilities; 84 alternative housing)
- Longest sentence: 20 years

¹ 3056 PC (Parole Violation) - Period of detention in a county jail due to a violation of an offender's condition of parole.

² 3454 PC (Flash Incarceration) - Period of detention in a county jail due to a violation of an offender's condition of post release supervision (1-10 days).

³ 3455 PC (PRCS) - Period of detention in a county jail due to a violation of an offender's condition of post release supervision (not to exceed 180 days).

⁴ 1170 (h) PC – Sentenced felony offenders serving their time in a county jail as opposed to state prison.

Alternative Incarceration Methods⁵

Alternative incarceration methods include: The California Department of Corrections and Rehabilitation (CDCR) Fire Camp, Supervised Electronic Confinement Program (SECP), and contracted inmate beds in Imperial County.

- Since June 2013, 140 fire camp participants completed the program
- 57 current fire camp participants
- Since January 2012, 1,174 full-time SECP participants
- 21 of RSO's SECP current full-time participants are 1170(h) inmates
- 29 inmates are currently housed in an Imperial County contract bed

Summary

The total number of inmates to date booked directly or sentenced to jail due to realignment is 34,219. The number of those currently remanded to the custody of the Riverside Sheriff's Department is 725.

⁵ Alternative Incarceration Methods – Housing or monitoring sentenced inmates outside of the County Jail.

Significant Cases

January 2017

West

PACT personnel were contacted by RPD West NPC Detectives to conduct a search of a subject who was suspected of several commercial burglaries, arson, GTA and had a felony PRCS warrant. PACT personnel conducted a PRCS/mandatory supervision search/ warrant service at the above listed location. The subject was not at home; however, two firearms, stolen property from the burglaries and ammunition were found at the location as well as a ballistic helmet and night vision goggles. The suspect was later captured following a shooting and vehicle pursuit by patrol personnel.

Central

PACT responded to the 18600 block of Tereticornis to conduct a PRCS compliance search on an out-of-compliance probationer. The probation officer had requested a flash hold for the probationer, if found at the location. As officers approached on foot, the probationer was seen sitting in a purple PT Cruiser in the driveway. He quickly began accelerating away, toward one of the TFOs that was standing in front of the vehicle. Though the Officer jumped off-line, the vehicle still struck him in the left hip and hand as it drove off. Fortunately, the TFO was uninjured but a vehicle pursuit ensued. The pursuit travelled 0.9 miles before the driver lost control, striking a curb. The driver abandoned the now-disabled vehicle in the roadway, fleeing on foot. PACT located the subject hiding on a porch a block away and took him into custody with a minor use of force. The subject was booked on a PRCS Flash, along with new charges of ADW on a peace officer and felony evasion.

East

East P.A.C.T. apprehended a juvenile wanted in recent 211's and 10851's in the city of DHS. Two P.A.C.T. officers saw him in DHS and after a brief bike and foot pursuit he was apprehended and handed over to DHSPD. He was also on juvenile probation and had an outstanding juvenile warrant. The Juvenile was well known to DHSPD.

February 2017

West

PACT personnel conducted a probation search, during a search, seven firearms (including four assault rifles), numerous magazines, along with over 5,000 rounds of ammunition of various calibers were seized. The probationer was arrested for 30305(a)(1) PC, 29800(a)(1) PC and 1203.2(a) PC.

Central

Search Warrant – San Bernardino – PACT was contacted by one of its member agencies, Beaumont PD, who requested assistance with the service of a search warrant on a PRCS subject, in response to a mailbox burglary ring in their jurisdiction. Beaumont PD, US Postal Inspectors, and PACT jointly served the search warrant in San Bernardino without incident. During the search, additional evidence was located to support the criminal charges against the probationer. As a result of this investigation, both state and federal charges have been filed against several subjects.

East

P.A.C.T. conducted a search at the residence of Formal Probationer in the city of Indio. Dominguez was not home at the time, but a loaded AK47 was found, as well as a loaded Glock 23. The Glock was reported stolen out of Iowa. We conducted follow up at other locations for Dominguez, but he

was not found. A report was filed with new charges requested. At the time of this report Dominguez is still outstanding.

March 2017

West

PACT personnel conducted a PRCS search and a probation search at the listed address for two subjects. The subject who is on PRCS was found to be in possession ammunition. He was arrested for 30305(a) PC. The subject who is on probation was in compliance. A third subject was contacted and was in possession of heroin and methamphetamine. A fourth subject was contacted and was found to be in possession of four homemade Glock-style firearms. The firearms were not registered and did not have serial numbers. He was arrested for 22540 PC and the firearms were seized.

Central

Search Warrant – Beaumont - Central PACT was contacted by one of its member agencies, Beaumont PD and their regional task force, asking for assistance in the service of one of 10 simultaneous search warrants in the San Gorgonio area. The warrants were in response to a gang-related homicide in which a female South Side Beaumont gang associate was killed with an AK- 47 by fellow gang members in apparent retaliation for earlier cooperation with the police. Three high risk targets were identified and served by various SWAT teams, while Central PACT served a warrant in the 400 block of Martin St (Banning) on a probationer who is a member of the gang but not believed to be directly involved in the murder. The warrant was served without incident, with evidence of his continuing gang activity (as recently as the day before) located.

East

East PACT contacted and arrested Herrera, who was on PRCS. He was wanted for four shootings in a 24 hour period in three jurisdictions (Cathedral City, Rancho Mirage, and DHS). Two of the shootings were actually at subjects in the city of Cathedral City. East P.A.C.T. arrested Herrera several months prior. In the morning, East P.A.C.T. received the information regarding the shootings from CCPD's night shift supervisor do to Herrera being on PRCS. East P.A.C.T. immediately began following up on numerous past locations for him both in the city of Cathedral City and the city of Desert Hot Springs. East P.A.C.T. located his vehicle parked at an apartment complex in Desert Hot Springs. With the assistance of RSO-BSU, CCPD Detectives, and the GIT Team, East P.A.C.T. conducted a code 5 of the residence. We identified Herrera and apprehended him without incident. He was brought to CCPD and gave a full confession. Due to RSO having witness information, they were also able to file 246.3 PC charges on him. His charges range from two counts of 245 PC, 246.3 PC, 28900 (a) PC, and 30305 (a) PC. He is currently being held on \$120,000.00 bail.

April 2017

West

PACT personnel conducted a parole and mandatory supervision search at the location. Both subjects were at home. During a search of the property, personnel found evidence of a "chop shop". Both subjects were arrested on multiple charges including owning or operating a "chop shop" and violation of probation/parole.

Central

Central PACT was conducting a compliance search in eastern Beaumont when a vehicle that was approaching their location suddenly turned and fled. A PACT member attempted to locate the vehicle, seeing it a couple miles away, now in the City of Banning. An enforcement stop was

conducted and during a search of the vehicle, two homemade firearms were located. The first was a zip gun with a spring-loaded firing device in a metal tube. The second was a “cane gun” with a removable section that could be used as a single-shot pistol. The driver had two ammunition rounds that fit the weapons in his pants pocket. He admitted to possession, blaming it on recent violence in the Banning area, and his allegations that Banning law enforcement is refusing to intervene. As a result, he felt justified in creating the weapons for self-protection.

East

East P.A.C.T. contacted and arrested PRCS absconder, Crane. He was tracked down and located at his parents’ address. Crane was not providing this address to Probation, but through our investigation it was located and he was apprehended. This is the second time he had not provided his correct address to Probation, but East P.A.C.T. members knew of the parents’ address, where East P.A.C.T. tracked him down and arrested him prior. During a search of the garage East P.A.C.T. located a stolen motorcycle. The ignition was punched. The motorcycle was stolen from an apartment across the street. The victim walked from his apartment to the Crane’s parents’ residence to recover his property. During the course Crane’s interview he made several admissions regarding knowing the motorcycle was stolen. His current bail is \$70,000.00.

May 2017

West

PACT personnel conducted a probation search at the location. During the search, two stripped and stolen vehicles were located in the backyard as well as a stripped and stolen motorcycle. RAID Detectives responded to assist with the investigation. The probationer was arrested for operating a chop shop.

Central

Central PACT was contacted by a Banning probation officer, whose PRCS client came in for his monthly visit the day before. A security guard located six 9mm ammunition rounds in his pocket. PACT responded to the office to pick up the rounds for a criminal filing. While at the office, the PRCS subject showed up and he was arrested immediately. He indicated that he received a ride to the office from friends (including another who was on probation) and they were waiting for him outside. PACT contacted the occupants and conducted a compliance search of the probationer and vehicle. Two loaded 9mm handguns were located, one in the driver’s seat, one in the rear seat where the PRCS subject rode. Additionally, 12 gauge shotgun shells and a full box of ammunition were found. PACT received a full confession from the probationers, who admitted to unlawful possession of the handguns and ammo.

East

East P.A.C.T. conducted a probation search of Romero. He fled on foot when he saw East PACT members arriving at his address. He was found after PACT cordoned off the area and conducted an apartment to apartment search. The offender had another individual locked him in a vacant apartment with a chain and master lock from the outside. After searching the area and reports from neighbors that the apartment was vacant and should not be locked as it was, East PACT entered the apartment and found the offender hiding. He was subsequently arrested.

June 2017

West

PACT personnel conducted a probation search and arrest warrant service at the above listed location. During an initial search of the location, personnel discovered multiple weapons to include

unregistered assault weapons. The location was held while a search warrant obtained. A search of the residence resulted in the seizure 11 handguns, 16 assault rifles, 2 shotguns, 412.3 grams of methamphetamine and 33 grams of heroin. Additionally, asset forfeiture procedures were filed for \$3462.00 in cash that was found with the narcotics. The owner of the residence was arrest for 11370.1 H&S, 11378 H&S, 11351 H&S and 11364.1 (a) H&S. The probationer was not located during the search.

Central

PACT, with the assistance of a CHP K-9 unit, conducted a PRCS search at two motor homes squatting on vacant land in rural Wildomar. PACT had received information that heroin smuggling was occurring and had conducted earlier investigations to determine who the involved parties were. During the search, the K9 hit on a vehicle floorboard area. Deconstruction of the vehicle revealed a hidden void under the driver's foot area, which was believed to be used for smuggling. The suspect was found in possession of more than \$3,000 cash, despite not having any documentable form of income, and 77 grams of heroin.

East

East PACT contacted mandatory supervision offender Godinez, during a compliance search. During the search, stolen property belonging to a CalFire Captain was located. During the search at the jail, she was found to be in possession of narcotics. She later pled guilty to burglary and charges are pending for the narcotics.

July 2017

West

PACT personnel conducted a probation search at the above location. The probationer fled from the rear of the residence. After an extensive search the subject was located hiding nearby and arrested. PACT personnel returned to the above address to conduct a compliance search. Family members became aggressive and assaulted team members. Three family members were arrested for 243(c) and 69 P.C. All four subjects were later booked into RPDC on the above listed charges.

Central

PACT was working in Hemet when one of our members received a phone call that a probation officer was at Hemet Valley Medical Center and was requesting an 11-11 in the E/R. PACT members started responding. The request was apparently originally misrouted to RSO-Hemet. As PACT arrived on scene, Hemet Police Department was just receiving the request. PACT was able to assist the probation officer, whose arrestee had suddenly become violent in the triage room. She was medically cleared and two PACT officers took possession of the arrestee, transporting her directly to county jail without further incident.

East

East PACT contacted and arrested PRCS absconder, Ritter. Ritter was believed to be at an apartment complex in Desert Hot Springs. The complex had numerous people listed on probation at it and was the scene of a recent 187 PC. During our investigation at the complex, Ritter came out of an apartment, which he stated he was now residing at. He told officers he knew they "were looking for" him. A search of the apartment yielded numerous controlled substances, scales, and paraphernalia indicating drug sales. We also located ammunition and a .380 caliber handgun. Ritter was arrested on numerous new charges and is currently in custody with a \$290,000 bail.

August 2017

West

PACT conducted a PRCS search at the listed location. A Glock gun box was located at the location which contained a loaded magazine, a social security card, and a fake identification card. A clear glass smoking pipe was also located in plain view near the gun box. The gun had previously been voluntarily surrendered for safe keeping. The items were collected

Central

PACT responded to an address in Lake Elsinore to conduct a PRCS search on a subject who had missed his scheduled reporting date. PACT was able to contact a relative at the location who stated the probationer was in the home, but he could not initially be found. As officers continued to search, it became apparent that the probationer had hidden in the attic. Attempts to contact him by voice and phone were initially unsuccessful, so a K-9 was requested for the attic search. The probationer refused to come out for about 40 minutes until just before the K-9 arrived. Apparently, the threat of being bitten was enough for him, so he agreed to surrender without further incident.

East

PACT conducted a search of Venegas' residence. Venegas was on PRCS. Upon seeing police Venegas ran to the back of the residence as his girlfriend (Pearson) closed the blinds. P.A.C.T. gained entry after several moments and searched the residence. 24.5 grams of meth, scales, baggies and cash were located. Venegas was arrested for sales and Pearson for possession of H&S. Venegas and his family have a long history with the Cathedral City Police Department (weapons, possession of sales, 10851, 459 PC, 245 PC).

September 2017

West

PACT personnel authored and served a search warrant at the location reference narcotic sales. The primary subject (who is currently on mandatory supervision) was found to be in possession of 266.8g of methamphetamine, 234.7g of heroin, 3g of cocaine, and \$4,140 in cash. That subject was arrested for 11378 HS, 11351 HS and 1203.2(a) PC. A second subject who was on probation out of Orange County was found to be in compliance.

Central

PACT was conducting compliance searches in a remote area of Anza when a report of a subject having been shot with a shotgun a couple miles away was dispatched to RSO-Hemet units. Realizing that RSO's response time would be significant, PACT broke off their search and responded to the scene. They located the victim, who had been shot point blank in the left hand as he attempted to block the assailant, who pointed the shotgun at his body. Some PACT TFOs began collecting/preserving evidence and obtaining information for an initial crime broadcast while others began searching the area for the suspect, who had already fled. Unfortunately, by the time that PACT handed off the case to arriving patrol deputies, the suspect had not yet been located.

East

East PACT conducted a Mandatory Supervision search on, Hernandez. We located a replica firearm under his bed. We also located five live rounds of 357 caliber ammunition. He was arrested on new charges of 30305 PC and 1203.2 PC. He received 180 days in jail and Formal Probation until 2020.
